

# MoFTY: Temple's Youth Group

Open to students from grade 8 through grade 12, MoFTY aims to offer many opportunities for Temple teens to gather, build community and most importantly have fun! We've been pretty busy here at MoFTY. We have had events from scavenger hunts, to movie nights and video game tournaments. For more information about MoFTY or any of these events please reach out!

## Welcome to our new Shinshin, Tal Maayan

Born in Zichron Yaakov and raised between Zichron, Emek Heffer and Singapore, Tal graduated from Ramot Yam High School and majored in physics and art.

She is an alumna from the 'Tnuva hahadash'a youth movement and a gymnastics team, and her hobbies include painting, drawing, reading, making jewelry, travelling, and running.

Tal is assigned to Solomon Schechter Academy, Congregation Dorshei Emet and Temple Emanu-El- Beth Sholom.

Tal and the 8<sup>th</sup> cohort of Shinshinim will arrive in Montreal on August 21. We look forward to welcoming her for her first Shabbat with Temple on September 9.
